

LITTLE RIVER INN

Welcomes Creatures Large & Small...

Little River Inn is very pleased to welcome you and your significant other (the furry one). We are a pet-friendly property because we love animals and travel frequently with our own. We truly believe that the privilege of traveling with our pets comes with responsibility.

Please practice good citizenship while you're on vacation (you know, that stuff you learned in puppy kindergarten) so that all our guests enjoy their trip. Our pet fees are \$30 per pet per night, with two pets maximum per room.

Little River Inn provides water and food dishes, a pet towel, cover sheets for furniture, disposable waste bags and welcome treats. See our property map for designated on-leash walking areas complete with waste bag dispensers and receptacles.

Pack Rules

-  Dogs must be on leash outside your room. Same goes for ferrets.
-  DO NOT leave your pet in your room unattended. If pet left unattended, you will be charged \$150 fee.
-  Please take your pet on a walk while we clean your room.
-  Puppy class 101: pick up after your pet. Bags and waste receptacles are provided in designated pet walking areas. Check the property map for pet station areas.
-  If your pet has an "accident" in your room, please let us know ASAP so we can clean it up. The longer it sits, the harder it is to remove stains and odors.
-  Please only use the special towels provided for your pet. Also, please use the provided sheets to cover your pet's favorite spot on the bed, chair, etc.
-  Pet owners assume financial responsibility for damage caused by their creature. Which leads us to...
-  DO NOT leave your pet in your room unattended. Seriously, they are not happy without you. We have stories from silly to scary of what happens when pets are left alone. Yes, even your perfect baby. This flyer is chalk full of pet-friendly activities on the coast, so take them with you!
